A young girl with dark hair, wearing a dark blue bikini with a gold pattern and gold trim, stands on a light-colored rocky shore. She is looking towards the camera with a slight smile. The background is a vast, blue ocean under a clear sky. The girl is wearing light blue shoes.

I am 8 years old. My dream is to be a Vet as I love animals and would love to help them when they are suffering. Is so unfair the animals can not talk and tells what is wrong or if they are in pain or sad .. I wish to be whisper to understand them .

I also play piano, and love dance and act.

If I would be lucky enough to make some money from modelling, I would like to save the money for my education to be talented and smart Vet.

A close-up photograph of a person's shoulder and hair. The person is wearing a light blue denim shirt. Their hair is long and blonde, and is held back by a gold hair clip with two large, round, pearl-like beads. The background is a plain, light-colored wall.

Hello! My name is Ulyana Pashkevich, I am 8 years old, height 129 cm, I live in Minsk, Belarus. I moved to the 3rd grade, I am engaged in the modeling school @annmodels, and the acting school @belroskino I am fond of dancing and drawing.

I participate a lot in shows, photography, I love reincarnation.

There are a lot of publications in magazines and all of them are thanks to my merits. I shoot for many brands.

Like a real child, I believe in magic and wish fulfillment. Looking at the beautiful photos of magazines, posters on the streets of the city, I always really wanted to be in the place of those heroines. And now my dreams are slowly beginning to come true. I really love new impressions and emotions that give me new acquaintances.
