Neri Lazzareschi Belloni

Hi, my name is Neri and I am a 12 years old Italian boy living here in Luxembourg. I speak Italian, English and French but I would like to learn also German and Spanish to be able to travel around the world... maybe modeling! I have not yet had the chance to model professionally but I like to think that my day will come and I will rock it.

I love playing rugby but it is not always easy with the pandemic and all my homeworks but I do my best to be able to squeeze all in and continuing doing what gives me pleasure. I also like watching, reading and drawing anime and manga, collecting Pokémon and playing on my Play Station. There are never enough hours in a day to do all the things I like. It is not easy to decide what to sacrifice in a day but I prioritize and in the end I get to do either what I need and what I like. Thank you for reading this and getting to know me a little, I'm sure I will see you around the world!

Richelle Ann

I am Richelle Ann Nansubuga, a three-year-old fun girl, big sister to a very handsome brother. I was born in Uganda, Kampala, and moved to Boston just a few months before my first birthday. I have a best friend called Hannah, with whom I enjoy swimming, traveling, and playing dress-up during sleepovers.

People have always referred to me and my pictures as a bright soul. Either it is something about my smile or my carefree personality, but I enjoy it when I bring a smile to people's faces.

I believe the positive feedback from people encouraged my Mum to sign me up as a child model, which has been one of my most outstanding achievements, not

forgetting my ease of making friends.

My dream is to be a confident professional model that inspires other young children to be themselves and reach for what they want without any fear. I am challenged by the limited funds to sponsor the transportation, accommodation, and other travel costs to different states for auditions.

I hope that my charm can always bring a smile to someone's face when they see me on social media, billboards, or in magazines.
