Ashley Marie

I'm a proud mom of 4 beautiful children. I struggled with my own personal body image 2 years ago. So I decided to do something about it, I became a model. To support all women that struggle with their body image. It's ok. You're not alone.

I have accomplished many goals already. Helping women learn to love their bodies by showing off my own imperfections and success with my body goals. It's not easy. But it's worth it. I want women to see

me and think "wow if she can do it, so can I". There is no competition. We are in this together. You're beautiful no matter your size.

Stay Blessed

Hi I am Elise from the UK, I have been modeling for just over a year now, after my first shoot I had so much fun that I continued to do more. I enjoy many styles of modeling including, swimwear, fashion and dance and I have a good mixture on my Instagram page. My first love is dance and I have been dancing for over 8 years, I train in Ballet, Tap, Modern and Street. I have been in many dance shows and continue to do so. I will be dancing in Disneyland Paris in 2022 which is something I am really excited about.

My dream is to continue what I'm doing with dance and modeling and enjoy all my experiences along the way.

Who knows what the future holds.

After participating in Top Model International 2020 I fell in love with modelling. I love doing photoshoots and showing of clothing on the catwalk. Besides Top Model, I also participated in Miss Limburg for Miss Belgium. During the competitions I learned a lot about the catwalk and doing photoshoots.

My dream is to become a model for famous brands.

Besides modelling, I also love to go horsebackriding, figure skating and doing fitness.
